

Fishing Experience - Syllabus

Aim

This is a specifically designed Sea fishing experience, offering a fun and exhilarating session of fishing along the coastal waters of East Sussex. The aim is to have fun and catch fish!!

Craft

The session will take place on fishing Sit-On-Top kayaks. The craft are fitted with fishing rod holders making them perfect for trailing fishing line.

Pre-requisites

There are absolutely no pre-requisites for this course. Maybe a love of fresh, local line caught fish!! (Participants should be aware that we aim to catch fish and kill fish).

Venue

The session will take place off Brighton beach. We will launch on to the water by Dukes Mound (in between Brighton Marina & Brighton's Palace Pier). Once on the water we'll head towards the Marina in the hunt of mackerel. Please see course venues for more information.

What Skills Will Be Covered

Lift, carry and launch.

Theory & Safety Considerations

Equipment

Boat & Equipment handling

Landing and Handling Fish

Tips & pointers on how to improve your paddling skills

Return to the bank and get out

Your next step.
